4. Discussion and possible action regarding a presentation of the Operator's Report from Brad Bowers of Environmental Biomass Services, regarding the operation and maintenance of the wastewater facility and sewer system to include flow information, water quality, reuse and activities; updates on the Perpetual System Maintenance Projects.
Brad told the Board that an APS employee disabled the equipment on lift station #10 during an outage. Jennifer was asked to have Bob Kozak write a letter to APS legal department notifying them that the District's equipment should never be accessed. Jennifer was asked to obtain an 800 number for district emergencies.
5. Discussion and possible action to have the collection system inspected by sound waves.
Colton Stewart of RH Borden gave the Board a presentation of the services available.
6. Discussion and possible action regarding the UV replacement project.
Bids are due September 9th.
7. Discussion and possible action regarding the Engineer's Report by Dave Dirren, Sunrise Engineering, to include facility maintenance, connection requests, future projects and other District Engineering duties.
Dave reviewed his report with the Board.
8. Discussion and possible action regarding estimates from Sunrise Engineering to update the District's Master Plan and hydraulic modeling.

It was decided to postpone this project because the UV Replacement Project is estimated to be \$100,000 more than budgeted.

9. Discussion and possible action to approve invoices from Sunrise Engineering for District Engineering Services.

Motion: made by Director Johnson to approve the invoices, second by Director Kautz.

Unanimous Approval

Public Comment Period. The public will be given the opportunity to comment to the Board of Directors on non-agenda item issues pertaining to the District. This is the time for the public to comment. Members of the Board may not discuss items that are not specifically identified on the agenda. Therefore, pursuant to A.R.S. § 38-431.01(G), action taken as a result of public comment will be limited to directing staff to study the matter, responding to any criticism or scheduling the matter for further consideration and decision at a later date. Two minutes will be allowed for each speaker.
